LPL Book Fund

A book can provide a lasting tribute to the memory of a loved one or can be used to honor a living friend or relative. Tax-deductible donations made to the Lewiston Public Library's Book Fund will allow the Library to purchase a special book for the collection. When the book is processed it is affixed with a bookplate noting the name of the person being memorialized/honored and the name(s) of the donor. A notification of the gift is also sent.

Donors may have the librarian choose an appropriate title needed by the Library or they may indicate a particular subject area or genre that they would prefer. The minimum suggested donation for memorial books is \$25.

Memorial Book Fund plaque

Memorial Book Fund gifts of \$100 or more are further recognized by placing the names of those memorialized on a Memorial Book Fund plaque in the Library. Names are placed on the plaque either for individual large donations or for those that accrue a total of \$100 or more in multiple smaller donations.

Other Memorial Options

The Lewiston Public Library Endowment Fund provides another avenue for larger memorial gifts. Individual named funds within the LPL Endowment Fund can be established for a minimum donation of \$1,000. For details, please contact the Library Director at 513-3119.
