

CITY OF LEWISTON

CITIZEN PARTICIPATION PLAN FOR HUD FUNDED PROGRAMS

I. Introduction

In 1974, the City of Lewiston was designated as a Community Development Block Grant Entitlement City. These funds are used to fund administration and planning, social services, housing, commercial, and economic development programs, public facilities and infrastructure improvements, and acquisition, demolition and clearance of unsafe structures. Every year the City receives a formula based allocation of entitlement funding. Using CDBG funds to initially capitalize, and periodically recapitalize the programs; the City created housing and commercial revolving loan funds (RLF) used to rehabilitate properties, make general improvements and bring the properties to code. Projects are funded through low interest loans and grants with repaid money going back to the RLF. In 2001, Auburn and Lewiston formed a consortium with Auburn as the lead entity to receive HOME Investment Partnerships Program funds. This is an annual allocation from HUD and the funds are used for Homebuyer Assistance, Homeowner Rehabilitation, Rental Development and Tenant Based Rental Assistance Programs for homeless persons seeking permanent housing.

The Department of Housing and Urban Development (HUD) requires recipients of these grant funds to prepare a formal plan as a condition of receiving those funds known as the Citizen Participation Plan. The following is the City of Lewiston's Citizen Participation Plan written in accordance with Section 104(a) (3) of the Housing and Community Development Act of 1974, (42 U.S.C.5304(A) (3), and 24 CFR Part 91 Sections 91.105 and 91.200.

II. Citizens Advisory Committee (CAC)

This Citizen Participation Plan (CPP) encourages participation from Lewiston residents in developing the 5-Year Consolidated Plan, any substantial amendments to the Consolidated Plan, and developing the annual action plans and performance reports. The City especially encourages participation by residents of Census Tracts 201, 202, 203 and 204, which constitute the CDBG target area and which is defined as a low and moderate income area. The City also encourages participation by low and moderate income persons, the homeless, persons with disabilities, immigrants and refugees, public housing authorities, and organizations representing these groups.

To ensure that all constituents are provided with an opportunity to be included in this important planning and implementation process, the City appoints and convenes a Citizens Advisory Committee (CAC) to assist in developing the specific goals and objectives of the Consolidated Plan, the Assessment of Fair Housing, and the annual Action Plan. Committee members are appointed by the Mayor to two year terms coinciding with the calendar year. This seven-person Committee includes one Lewiston City Councilor, one representative from the homeless community, a person representing the immigrant/refugee community, at least two citizens from the City's low/moderate income population in Census Tracts 201-204, with the remainder from the community at large. The Committee is staffed by the Economic and Community Development Department.

Each year in December, to begin the CDBG budget process, a Request for Application for

Funding will be published in a newspaper of general distribution, placed on the City's website and emailed to applicants who have applied for funding in the past. Qualified agencies and organizations are encouraged to apply for funding. City staff offers two mandatory trainings for all applicants and provides technical assistance to groups representing persons who are of low-moderate income; as well as assistance to ethnic based community organizations that request help in developing proposals for funding assistance under any programs covered by the annual planning process of HUD funded programs. Lewiston's 5 Year Consolidated Plan and Annual Action plans are available on the City's webpage, on the Economic and Community Development page under plans and reports. The Consolidated Plan is a 5 year strategic plan that outlines the goals to be achieved over the course of 5 years as determined by a broad coalition of citizens and stakeholders. The Annual Action Plans detail the local government's funding decisions to achieve the goals articulated in the Consolidated Plan. The CAC will read, review, interview and score applications for funding from qualified applicants. The CAC will provide citizen input into the activities that will be funded by these sources during the budget process to ensure that the goals and objectives of the 5 year Consolidated Plan are reflected in the annual Action Plan and reviewed for progress and evaluated for appropriateness in the City's Consolidated Annual Performance and Evaluation Report (CAPER). During the first meeting of each budget year the CAC, will appoint a Chairperson among its members to serve as a facilitator of the meetings, spokesperson for the committee, and a liaison to the Economic and Community Development Department staff. The CAC will meet during the budget process to review and evaluate requests for funding. The CAC has an important role in this process which includes review of applications for appropriateness and compliance with the goals and objectives of the current Consolidated Plan, and to make a funding recommendation to the Lewiston's City Council for projects to be included in the next annual Action Plan.

The meetings of the CDBG Citizens Advisory Committee are open to the public with meeting times and dates published in advance in a publication of general circulation and on the City's website. Each year the Lewiston City Council will take action on the acceptance of the Action Plan according to the City's Budget timeline, with final approval by City Council no later than May 7th. Final approval will take place at a City Council Meeting following a public hearing. Notice of the City Council meeting and public hearing on the Consolidated Plan and Action Plan will be provided in the local newspaper at least 10 days before the hearing is to take place. Citizens will have a full 30 days from the date of publication to express concerns and comments by email on the City's website by using the following link <http://www.ci.lewiston.me.us/Directory.aspx?DID=7>, or by regular mail addressed to the Director, Economic and Community Development Department, 27 Pine Street, Lewiston, ME 04240.

(the "Plans") It is designed to be a collaborative process through which Lewiston establishes a unified vision for

The Consolidated Plan identifies specific courses of actions for the CDBG funding the City receives. It builds on local assets and responds to the needs of the community and sets forth program goals, specific objectives, annual goals, and benchmarks for measuring progress.

In the preparation of the Plans the City shall encourage the participation of local and regional institutions, Continuums of Care, and other organizations (including businesses, developers, nonprofit organizations, philanthropic organizations, and community-based and faith-based organizations) in the process of developing and implementing the Plans. The City shall make an effort to provide information to the PHA about the Plans activities related to its developments and surrounding communities so that the PHA can make this information available at the annual public hearing(s) required for the PHA Plan.
