

## **Art Walk L/A & Dances with Horses!**

### **PRESS RELEASE: July 28, 2011**

Downtown LA will again be hopping this Friday evening (July 29) with [Art Walk Lewiston Auburn](#) and aside from hosting four artists on the first floor of the Library, we will be presenting a lecture/demonstration featuring choreographers, dancers, and video from the [Bates Dance Festival's](#) (BDF) upcoming performance of [UN/Stable Landscape](#). The lec/dem will begin at 7:30 p.m. in Callahan Hall.

The [Bates Dance Festival](#) presents some of the most unique and best performance art that Lewiston/Auburn sees over the course of the year. The Festival's August 6 and 7 presentation of [UN/Stable Landscape](#) is no exception, being a site-specific performance with horses, riders and dancers. Choreographers JoAnna Mendl Shaw of [The Equus Projects](#) and Carl Flink from [Black Label Movement](#) will be talking about their work with horses and illustrating their talk with video clips and live dancing by 10 of their performers. For details on the program, [click here to see our web posting](#).

[Art Walk L/A](#) takes place from 5 p.m. to 9 p.m. We will be turning the first floor of the Library into a gallery featuring the works of Susan Garry, Steven Langerman, Nancy Preble, and Jessy Kendall. Do yourself a favor and come downtown to enjoy some good art and a wonderful summer evening.
